HD Camp with Team from MO CRC Las Crucitas, Tegucigalpa

Making faithful disciples includes teaching them to abide at the feet of Jesus. John, Robert and Mary from Missouri joined 40 plus Christians from three Churches in Tegucigalpa for our annual three day retreat.

National Youth Camp News

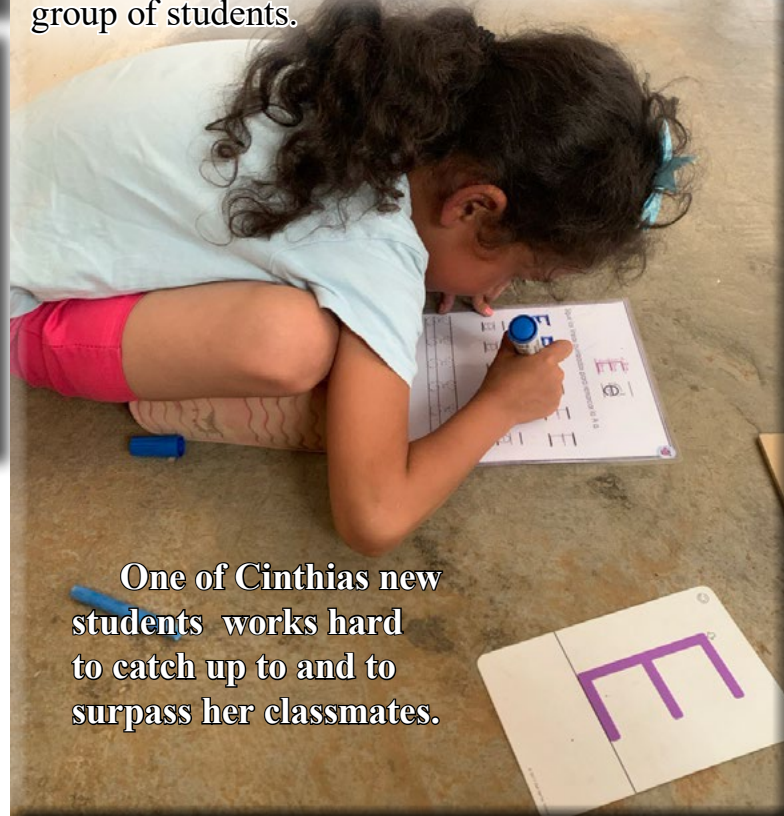

Valle de Angeles, Honduras

The national youth camp has been a fixture for our Honduran Churches every January since 1999. Most years we have played some role big or small. This year Teri put together the prayer stations and I set up and ran a zipline. This year the long time leadership passed the torch to a new group including Manuel, our new son-in-law, who has been part of this camp since high school.

Moncada's Outreach en el Izopo

Rony and Cinthia have led discovery Bible studies in many homes in the community near their home. They are also working with the local school to cultivate reading and learning in a small but growing group of students.

One of Cinthias new students works hard to catch up to and to surpass her classmates.

Roca de Refugio Hosts City Wide Women's Day Conference

Roca de Refugio, Nueva Suyapa, Tegus

On January 25, Honduras' Day of the Woman, the ladies from Roca de Refugio hosted the city wide women's day conference. Around 100 women were in attendance.

The ladies studied the book of Philippians during the main sessions and some of the workshop times. Other topics for the workshops were exercising, massages, how to understand the world of men, how to make different sauces, and many more. The worship band was a conglomeration of a couple women from each of the churches represented.

As always, the women left blessed and with a new resolve to focus on the good and leave behind the negative.

Life of Christ Students Advance

Roca de Refugio, Nueva Suyapa, Tegus

We are finishing another semester of Life of Christ with three classes of students in books one, two and four. Final exams are this week and we look forward to how these 22 students put what they have learned into practice.

CRC Host National Women's Leadership Conference

Retreat Center, Las Crucitas, Honduras

In February over 20 ladies from around 10 different churches came together at CRC to plan, pray and prepare for the August women's conference. As this conference is for little girls and teens as well as adult women, teams were built to organize each of the three areas. Amy Jensen from Omaha's Wildewood Christian Church taught from this year's book, the Bait of Satan by John Bevere.

Teri organizes this preconference each year and this year Jim got help cooking and serving from Amy's husband Eldon. The Jenson's were missionaries in Honduras in the early 2000's.

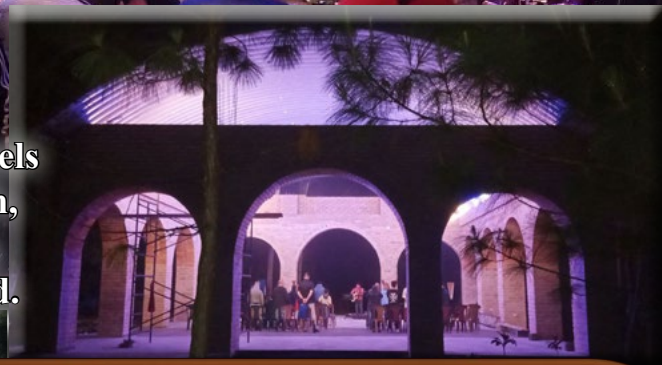

Please be praying for all that will be attending this year's conference that Jesus will help each one to forgive all the offenses that they have been holding onto and surrender to the King of kings if they haven't done so.

Chapel Complete in Time for HD

After over a year of work off and on, the chapel foundation, its 14 pillars 14 arches, 2 water channels and large cistern were ready. Then beginning on May 5th, in a flourish of activity, the chapel roof, floor and lighting were installed just in time for our HD camp. God is good.
